

# Cant Stand Us

Mark Battles

All my niggas be with it  
All my niggas be with it  
When we talk about it we did it  
Them fast cars, we hit it  
Fast money we spendin  
Have yo main bitch trendin  
Fly shit, we in it  
If you start it off we finish  
2doors tinted, glass roof that trunk  
From that bottom floor we did it  
With a penthouse off that dro  
I got purple smoke in my lungs  
Blue dot my bladder  
All my niggas gon stunt  
Yo dream bitch I done had er

Montana, Montana  
Frenchie Montana  
Nigga don't make me do it  
Fuck yo bitch on camera  
Can't you make some bacon with that Hannah Montana?  
For all them all black diamonds and that black panorama

Montana, Montana  
Frenchie Montana  
You hit me on the cell set, let's meet up in Atlanta  
My life is like a movie so you better bring a camera  
Nah these haters can't stand us

I pull up to the lot, they say it's like a movie flow  
This one or that one, I really don't know who to pick  
Can't pronounce the name but I swear to God it's movin quick  
LV's on my waist with a fresh pair of Louie slips  
Who is this? Who is this? What you mean I mean it  
Can't come between my team, all the haters wanna touch the green that I see  
Frenchie told me grind homie  
Then you can go shine on em  
How you get off with that 22  
It's kind of mind blowin

Montana, Montana  
Frenchie Montana

You had a pocket clock, it never changed faces  
Watch it pop, steady play for changes  
Killers cookin beats like crack up in yo basement  
It's amazing, so amazing, gold ring, my shit be bangin  
Cop me a jerky from in still up on ya  
We rollin in my ride like the top and she faded  
I'm doin 105 in that 405, hit or take that 3rd street promenade  
Made a hard left and I bust it wide  
Now we outside of that waffle house  
You on a house combo number 23  
With a extra side of that gravy

Montana, Montana
