

# Enough For Me

Mark Battles

People say I'm too quiet I need to talk more  
Hearing that is like nails on a chalkboard  
I lost my brother as a sophomore  
Dream of the finish line but always fall short  
Oh well, keep working  
Failures not an option man I gotta be certain  
We all make mistakes no use in trying to be perfect  
Getting pushed under the water but I climb and resurface  
It keeps hurting  
The pain is so hard, a bully come in your yard  
You better not let him boguard  
You off the deep end  
No need to pretend  
I'm 20 with three kids so I got to dream big  
Feel like Jay when he got his first deal  
Feel like trunk when he got his first meal  
Cut off your water, show you how this thirst feel  
It's a disgrace all of these fakes with the crowded church feel  
All these restless phonies  
With their testimonies  
You called me your little brother but you left me lonely  
Had to do it by myself with nobodies help I am no Micheal Phelps  
I was drowning in the water I ain't gon lie  
But you lost half of your mind thinking I ain't gon try  
I'd rather die than let a day go by  
Where my kids go hungry and I can't provide  
I'm gon make it happen I hope ya'll see the plan  
It's crazy how momma had to teach me how to be a man  
Lord knows I've been living tough  
The last time I gave up I gave up giving up  
My mind be on that different stuff  
Fly as a fox call me Vivica  
Put in twice golf miniature  
I speak to reach I'm on some floss dental stuff

No  
No  
No  
No  
It ain't enough for me  
It ain't enough for me  
It ain't enough for me  
Got me screaming out  
Oh  
Oh  
Oh  
Oh  
So when he come for me  
So when he come for me  
I'll be ready  
I'mma be ready

A yacht in the what, I need to know now  
Because it's finna go down  
My city is a ghost town  
A bunch of hasbins, on they last winds  
See me bout to shine, so in they minds they wanna cash in

That's just the way of life  
It cost to be the boss so you got to pay the price  
It's crazy right?  
But it made me fight  
Do what I gotta do  
Because something being impossible, is impossible  
A little obstacle could never ever stop the dude  
I stay positive I'm like some bad doctor news  
I'm like a little kid in the locker room  
Lacing up his soccer shoes  
Feeling like he gotta prove  
It to himself and I ain't in it for the wealth  
Of course the money helps  
I'm just hoping this helps  
A little money ain't enough for me  
I want to say I made a difference when he come for me

No  
No  
No  
No  
It ain't enough for me  
It ain't enough for me  
It ain't enough for me  
Got me screaming out  
Oh  
Oh  
Oh  
Oh  
So when he come for me  
So when he come for me  
I'll be ready  
I'mma be ready
