

Holiday

Mark Battles

Uh

I woke up today with a hundred-thousand-dollar play
Just told my girl don't go to work, bitch, it's a holiday
You gon' be straight if you do everything that papa say
Just hit a lick, we back to ballin', feel like Dr. J
I was on my ass, now I'm back up like a protege
Had went quiet, time to riot, got a lot to say (Uh-huh?)
If they don't see it, tell 'em beat it just like Dr. Dre
I beg your pardon, ain't no bargains, need the proper pay
Okay, okay, okay

I be back in a minute, time to actually get it
That shit before was just a practice
A scrimmage was doing bad, now you mad that I did it
Lord, I asked for forgiveness, 'cause I killed about half of these niggas
Jumped in my duffel, your lady played me on shuffle
Bringing back my old thunder like Harden, KD and Russell (For real)
I told the bitch I'm Soviet, baby, 'cause we ain't rushing
So hard for me to trust you, might stab my back while we hugging

But I woke up today with a hundred-thousand-dollar play
Just told my girl don't go to work, bitch, it's a holiday
You gon' be straight if you do everything that papa say
Just hit a lick, we back to ballin', feel like Dr. J
I was on my ass, now I'm back up like a protege
Had went quiet, time to riot, got a lot to say (Uh-huh?)
If they don't see it, tell 'em beat it just like Dr. Dre
I beg your pardon, ain't no bargains, need the proper pay
Okay, okay, okay
Okay, okay, okay, okay
Okay, okay, okay, okay
Okay, okay, okay, okay
Okay

The best revenge is no revenge (What?), it's all love
Take vacation trips to Ocean Cleanse
I'm sorry, love, I just got DMs from both your friends
Guess they not your friends
Hoping I'll someday will hit 'em up just like Pac and them
Nah, I'm straight
Tunnel vision, concentrate, grass ain't greener, lotta snakes
Life ain't sweet down at the bottom, sometimes shit just gotta shake
That's a shot you gotta make, I ain't have a pot to scrape
Made it through it, God is great

I could say I woke up today with a hundred-thousand-dollar play
Just told my girl don't go to work, bitch, it's a holiday
Uh, it's a holiday
It's a holiday, okay, okay, okay
Okay, okay, okay, okay
Okay, okay, okay, okay
Okay, okay, okay, okay
Okay, huh
