

# Knew Enough

Mark Battles

I ain't gonna lie I wanna fight these niggas  
I don't even know why y'all like these niggas  
I ain't make freshman cause I rap with a message  
So I might seem bitter  
Take your shine, watch my team glitter  
Oh she stuck up, but I highkey hit her  
Drop a little game, understanding ain't a thing  
Better keep it all tame when you talking to a winner, in her  
It's time to school you, yeah he cool but he lying to you  
From the slums, I ain't gotta fool you  
In Honolulu eating Ramen noodles  
Couple Yoo-hoo's and a Toaster Strudel  
Name is ringing cause the flow is brutal  
Won a few, I don't know the usual  
Talk is cheap, I'll show and prove it

(What, what, what?)

I thought you niggas knew enough

Kinda life where they hate to love you  
Go raw like a faithful couple  
Earn it all, I ain't taking nothing  
Love my city cause it makes me hustle  
Real niggas don't blame the struggle  
It was OKC go on play with Russell  
Bang, bang, bang, niggas came to hunt you  
Fight for my life, might scrape a knuckle  
Night after night we shaping puzzles  
Niggas left cause they never loved you  
Show respect but don't ever trust 'em  
I don't wear your brand unless I got it custom  
Fly or die, you ain't saying nothing  
Give me death or just give me justice  
Quit all the stutters, don't change the subject  
Run for cover cause it might get ugly

(What, what, what?)

I thought you niggas knew enough

Um, you with it or not?

I'mma get to the top with an intricate plot  
Got her tripping off a Ritalin, better bring her the pot  
I been in it for a minute, I'm the nigga to watch  
Gotta give a lot of credit to the group that I got  
Lot of pride on the ride, but you risk it a lot  
And you had it all planned and you itching to stop  
Game on the line, I'mma give me a shot (swish)

(What, what, what?)

Knew, knew, knew enough

Knew, knew, knew enough

(What, what, what?)

I thought you niggas knew enough

3's up
