

# Problem

Mark Battles

Not today  
Don't call me  
Not today  
I know you got a lot to say  
But I don't got time to waste

I'm overwhelmed  
I'm ready to rebel  
Say one more thing to me  
I'll kick and scream and start raising hell

(Ahhh)  
We're about to have a problem  
(Ahhh)

Everybody needs to shut up  
Lately everybody just sucks  
I'm sick of everybody tryna take a piece of me  
When I don't got no pieces left for me to give up  
Everybody's doing too much  
I've had about enough  
Cause everybody's tryna take a piece of me  
When I don't got no pieces left for me to give up

Now we got a problem  
A really big problem

Yah your mouth is always running like it's late for something  
You should learn to shut up all you gotta say is nothing  
I didn't ask for your opinion  
But you always give it  
I'mma bout to snap if you don't get out of my business  
And you don't want no smoke with me  
You don't wanna joke with me  
We're about to have a problem  
If you keep talking talking that blah blah blah

Everybody needs to shut up  
Lately everybody just sucks  
I'm sick of everybody tryna take a piece of me  
When I don't got no pieces left for me to give up  
Everybody's doing too much  
I've had about enough  
Cause everybody's tryna take a piece of me  
When I don't got no pieces left for me to give up

Now we got a problem  
A really big problem

Yeah yeah yeah yeah  
Yeah  
What's the problem?  
I came in here to solve em  
We never half stepping going all in  
Got the ball in you can call me Jordan  
Get your camera ready cause I'm scorching  
We on fire let's take this shit higher

Full speed no tread on the tire  
If he say he fucking with me he a liar  
Ha Ha

Everybody needs to shut up  
Lately everybody just sucks  
I'm sick of everybody tryna take a piece of me  
When I don't got no pieces left for me to give up  
Everybody's doing too much  
I've had about enough  
Cause everybody's tryna take a piece of me  
When I don't got no pieces left for me to give up
