Galaxy
He did it again

Dos si dos, sign a deal, told 'em no
Now I'm a million up, hate to say I told you so
It took a minute, we admit it, this shit was movin' slow
Be ready, here it go
Y'all should know, all my bros
Runnin'
I got the engine, runnin'
(Keep that motherfucker runnin')
Keep all them hoes, runnin'
We across the globe, runnin'
Runnin'

Chill, don't tell me how to feel
I really came from nothin', bro, I gotta keep it real
Only want the bill then the mission's all fulfilled
But this life can come with perks and I ain't talkin' 'bout a pill
Never signin' shit, we walkin' outta deals
The bitches think I'm pretty, the niggas talk about the skill
Got up out my feels now it's all about the bills
Better not draw it if you nervous, they'll chalk 'em out for real, ill
I'm really from a spooky block
Time is of the essence, never stressin' 'bout a groupie thot
Left it in the past but she mad because I'm who we not
Born to be a star, walkin' hard just like I'm Dewey Cox
Family guy, Stewie pops
Puma kicks, Louis socks
Boy done made a livin' off of punchlines,
Get your bae 'cause she backstage chewin' cocks
Everything brewin' hot, I done made it through a lot

Runnin'
Just keep the engine, runnin'
(Keep that motherfucker runnin')
Got all them hoes, runnin'
We across the globe, runnin'
Runnin'
Uh oh

Leave these niggas with the funny face
Havin' fun with this, runnin' shit just like a tummy ache
Goin ham, honey baked, now it's time to money make
Beat the road, a hundred dates
I'm the one they love to hate

Runnin'
Just keep the engine, runnin'
(Keep that motherfucker runnin')
Got all them hoes, runnin'
Now we across the globe, runnin'
Runnin'
Yeah
Dos si dos, sign a deal, told 'em no
Now I'm a million up, hate to say I told you so
It took a minute, we admit it, this shit was movin' slow

Be ready, here it go
Y'all should know, all my bros
I got the engine, runnin'
(Keep that motherfucker runnin')
Keep all them hoes, runnin'
We across the globe, runnin'
Runnin'
