## **Vickie Vance Gotta Dance**

## **Mark Chesnutt**

Spinnin' those curlers round all day Her little beauty shop provides a way To work at home and sleep in late So she can dance the night away.

Pilot gotta fly, eagle gotta soar Give a baby candy, gotta give it more Cowboy gotta ride, gambler gotta chance Vickie Vance gotta dance, Yeah, Vickie Vance gotta dance

She can be dancin' to nothin' at all And she does a mean swing with the shadows on the wall Yeah, and I bet she's done the two-step a million times Yeah, she drives all the boys on the dance floor wild.

Pilot gotta fly, eagle gotta soar Give a baby candy, gotta give it more Cowboy gotta ride, gambler gotta chance Vickie Vance gotta dance, Yeah, Vickie Vance gotta dance.

Oooh, she can't stand still Yeah, she's dancin' off the wall Dancin' on the window sill.

Pilot gotta fly, eagle gotta soar Give a baby candy, gotta give it more Cowboy gotta ride, gambler gotta chance Vickie Vance gotta dance, Yeah, Vickie Vance gotta dance. Yeah, Vickie Vance gotta dance...
