

# Bluebird

Mark Knopfler

Got crows in my pasture  
Rats in my barn  
Crows in my pasture, babe  
Rats in my barn  
If I was you, little bluebird  
I'd up and find another farm

I've got nightshade in my meadow  
Ragweed in my corn  
Nightshade in my meadow  
And ragweed in my corn  
If I was you, little bluebird  
I'd be long gone

Yes, I got squirrels in my rafters  
Weevils in my hay  
Squirrels in my rafters  
Weevils in my hay  
If I was you, little bluebird  
I'd up and fly away  
Fly away, baby
