

# El Macho

Mark Knopfler

**Em**

Your date has gone home  
Now you're left on your own sweet own  
Your tough-talkin' friend  
Split on you in the bitter end

**Em**

**G**

**Em**

And you look like a fine thing Jerry

**Em**

**G**

**Em**

Yeh you look like a fine thing Jerry

**Em**

They say you're a star  
That's what the boys all say you are  
I don't see much TV  
So you don't mean shit to me

But you look like a fine thing Jerry  
Yeh you look like a fine thing Jerry

**Am**

**D7**

**G**

But they've got a name for people like you

**C**

Yeh they do

**Am**

**D7**

**B7**

And they've got a name for people like me too

**B7**

**Am**

**B7**

El macho, el macho

**D**

**C**

**B7**

El macho, el macho

Now they want you to sing  
Don't get shy or anything  
The boys are all here  
Gonna buy you another beer

Cos you look like a fine thing, Jerry  
Yeah you look like a fine thing, Jerry

El macho, el macho

El macho, el macho
