

# Whoop De Doo

Mark Knopfler

**E As**

If I'm over the moon

**C#m**

It's because I'm over you

**Am(V) As**

A day at a time

**C#m E**

And I'm tickety-boo

**A As**

I don't carry on

**C#m Am**

The way I used to

**E B**

Whoop de doo

**E**

Whoop de doo

**E As**

If I'm doing great

**C#m**

It's because when I get home

**Am(V) As**

I don't go straight

**C#m E**

To my answerphone

**A As**

And the tears don't come

**C#m Am**

The way they used to

**E B**

Whoop de doo

**E**

Whoop de doo

**D**

So many little things

**E**

Are so much better now

**C Am B**

They were only the little things

**Anyhow**

**E As**

If I'm over the moon

**C#m**

It's because that's what I am

**Am(V) As**

Funny that once

**C#m E**

I used to give a damn

**A As**

And I'd do anything

**C#m Am**

In the whole wide world for you

**E B**

Whoop de doo

**E/f# F#**  
Whoop de doo

**E As**  
**Anything**  
**C#m Am**  
Anything you'd want me to  
**E B**  
Whoop de doo  
**E**  
Whoop de doo
