

Bleed All Over

Mark Lanegan

Baby, baby, baby
Don't you say it's over, yeah
I never wanted to
Baby, baby, baby
I'ma bleed all over, yeah
That's what it's comin' to

I wanted, I wanted, I wanted
I wanted, I wanted, I wanted
I wanted, I wanted, I wanted
I wanted one thing to believe in
I wanted, I wanted, I wanted
I wanted someone to bleed with

Baby, baby, baby
I'ma bleed all over, yeah
Spike in my hand
Baby, baby, baby
Don't you say it's over, yeah
Don't you give a damn

I'm goin', I'm goin', I'm goin'
I'm goin' someplace where I'm needed
I'm goin', I'm goin', I'm goin'
To a place where I've already bled

Baby, baby, baby
It's some crazy weather, yeah
I'm out in it alone
Baby, tell me now
If we can get together, yeah
You are the beacon shone

I'm haunted, I'm haunted, I'm haunted
I'm haunted, I'm haunted, I'm haunted
I'm haunted, I'm haunted, I'm haunted
Haunted by these monochrome nightmares
I counted, I counted, I counted
I counted on getting a full share

Baby, baby, baby
Don't you say it's over, yeah
Don't you say that it's done
Baby, baby, baby
I'ma bleed all over, yeah
See my mascara run

I'm wanted, I'm wanted, I'm wanted
I'm wanted on false accusations
I'm down here, I'm down here, I'm down here
Down here, hidin' out in a basement

I'm goin', I'm goin', I'm goin'
I'm goin', I'm goin', I'm goin'
I'm goin', I'm goin', I'm goin'
I'm goin' some place where I'm needed
I'm goin', I'm goin', I'm goin'

Someplace where I've already bled

Baby, baby, baby

Don't you say it's over, yeah

Now that I ain't got a dime

Baby, baby, baby

I'ma bleed all over, yeah

This one lonely last time, yeah

This one lonely last time
