

## Solitaire

Mark Lanegan

There was a man, a lonely man  
Who lost his love through his indifference  
A heart that cared, that went unchecked  
And slowly died within his silence

Now solitaire's the only game in town  
And every road that takes me, takes me down  
By myself, it's easy to pretend  
I'll never love again

And deep into myself, I play the game  
Without your love, it always ends the same  
While life goes on around me everywhere  
I'm playing solitaire

Another day, a lonely day  
So much to say that goes unspoken  
And through the night, each sleepless night  
The eyes are closed, the heart is broken

Now solitaire's the only game in town  
And every road that takes me, takes me down  
I find myself, it's easy to pretend  
You're coming back again

And deep into myself, I play the game  
Without your love, it always ends the same  
While life goes on around me everywhere  
I'm playing solitaire

And solitaire's the only game in town  
And every road that takes me, takes me down  
While life goes on around me everywhere  
I'm playing solitaire
