

## Where Did You Sleep Last Night

Mark Lanegan

My girl, my girl, don't lie to me  
Tell me where did you sleep last night  
In the pines, in the pines  
Where the sun never shines  
I would shiver all night through

Her husband was a hard-workin' man  
Til a mile and a half from here  
His head was found in a dried up well  
And his body never was found

My girl, my girl, don't lie to me  
Tell me where did you sleep last night  
In the pines, in the pines  
Where the sun never shines  
I would shiver all night through  
(shiver for me now)

My girl, my girl, where will you go  
I'm goin' where the cold winds blow  
In the pines, in the pines  
Where the sun don't ever shine  
I would shiver all night through
