

Every Time You Go Away

Mark Medlock

Everytime baby, baby mmmmmh yeah

Oh, I cant believe that youre loving me baby
Oh, why you are lieing and why you are fooling my heart
Oh, what can I say, youre making me crazy
Youre killing me softly,
Baby, just right from the start
Belive me - I need you, Ill touch you, Ill tease You tonight

Everytime you go away
Baby, you take away my heaven - oooh I know
Everytime you go away
Oh, its more then my heart could hold
Everytime I see you crying
Its a deep cut in my broken heart
long time I feel lieing dieing
Maybe dont tear apart

Yeah..
Baby were standing miles from nowhere
And I can not loose
Baby, what I never had
Cant keep a good man oh no, I swear
Baby Im sure maybe youre driving me mad
Belive me I need you, Ill touch you, Ill tease you - Tonight

Everytime you go away
Baby, you take away my heaven - oooh I know
Everytime you go away
Oh, its more then my heart could hold
Everytime I see you crying
Its a deep cut in my broken heart
long time I feel lieing dieing
Maybe dont tear apart

Yeah huuhhhhhhhh
Everytime my baby
Oh everytime you go away

Everytime you go away
Baby, you take away my heaven - oooh I know
Everytime you go away
Oh, its more then my heart could hold
Everytime I see you crying
Its a deep cut in my broken heart
long time I feel lieing dieing
Maybe dont tear apart

Yeah...
Everytime you go away
Yeah...
