

Mr. Lonely

Mark Medlock

I'm not a hero, no,
Who's strong enough.
And I'm not blind to see
You need my love.
But Babe will you love me tomorrow?
Will you love me in deep misery ?
Will you leave me in all my sorrows?
Can he love better than me?

I'm Mr. Lonely, can't you see?
I'm just the only.
You and me
Will stay together till the end of time.
I'm Mr. Lonely all my life.
Only the strong
They survive.
Is it forever?
Don't play games with me!
Yeah... I'm so lonely..., oh...I'm so lonely.

Love ain't like fashion, no
It' walking on air
Love is like passion, yes.
Baby I swear (swim??),
If I could live here forever
Baby then I'll live with you.
Baby please never say never
Is there anything I can do?

I'm Mr. Lonely, can't you see?
I'm just the only.
You and me
Will stay together till the end of time.
I can't take this pain no more, yeah...
I'm so lonely...
I'm Mr. Lonely, can't you see?
I'm just the only.
You and me
Will stay together till the end of time, yeaha,
Yeaha, Baby I'm so lonely, yeaha.
I don't wanna play your games
