

Falling Star

Mark Owen

Oh lord,
What is it you have in store for me,
Privately been my own company,
I pray to you,
Askin' you,
What lies ahead,
What lies ahead.

Oh lord,
Is there a part in your play for me,
Your silence is killin' me peacefully,
I need to know, need to know,
Where is the love,
Where is the love.

Let the falling star,
Grace the sky again.
Let the broken heart,
Be filled with love again.

Oh lord,
Is there a place in her life for me,
Do you think she will remember me,
How we used to be,
I'm askin' you,
Trustin' you,
Putting my faith in you.

Lord,
Please find a moment to spare for me,
Choose carefully,
I'm comin' on,
Twist of tongue,

Now i know right from wrong,
Make me strong,
Hear my song,
Hear my song,
Be filled with love again.

Let the falling star,
Grace the sky again.
Let the broken heart,
Be filled with love again.

Can you do this time for me,
I'm askin' you,
I'm askin' you,
Trustin' you,
Putting my faith in you lord.

So get up again,
Get up again,
Where is the love,
Where is the love.

I can see you climb,

I can see you climb,
I can see you,
I can see you,
See you climb,
So high,
So high,
So high.
