

# Ghost

Mark Owen

Tell me it's not  
24 days  
Almost a year  
Since yesterday

I thought that I was over you last night  
But there's no getting over you tonight  
We tried to make the best of it we can  
I almost feel we're moving on

I can still feel the ghost  
Walking through the walls  
And it's calling every night  
We're the lonely men below

I can still feel the ghost  
And I hope you're happy now  
And I have to let you go  
But I wish that you were here

All things will pass  
You told me that  
I watch the stars  
Bringing me back

And I don't know what day it is no more  
Never see the way it is no more  
I think I'm getting better now, I'm so  
I think I'm getting better now

I can still feel the ghost  
Walking through the walls  
And it's calling every night  
We're the lonely men below

I can still feel the ghost  
And I hope you're happy now  
And I have to let you go  
But I wish that you were here

I can still feel the ghost  
Walking through the walls  
And it's calling every night  
We're the lonely men below

I can still feel the ghost  
I can still feel the loss  
I can still feel the ghost  
And I hope you're happy now  
And I have to let you go  
But I wish that you were here
