

Magic

Mark Owen

I can't believe it's true
Your light is coming through
It's like an asteroid
Falling out from the sky
It's science fictional
The impossible
I can't explain it no
I get emotional

Getting close
Getting closer
To the glow
Oh look
It's raining all around us
Like confetti
Are you ready
Can't deny it

Let's just say it's magic magic magic
Let's just say it's magic ooh ooh
Let's just say it's magic magic magic
I can feel it everywhere

You blow my mind it's fact
Don't know how you do that
You cut my heart in half
And there's no turning back
It's getting hazy now
The walls are coming down
The crowd go crazy ooh
You drive me crazy too

Getting close
Getting closer
To the glow
Oh look
It's raining all around us
Like confetti
Are you ready
Are you ready

Let's just say it's magic magic magic
Let's just say it's magic ooh ooh
Let's just say it's magic magic magic
I can feel it everywhere

Let's just say it's magic magic magic
Let's just say it's magic ooh ooh
Let's just say it's magic magic magic
I can feel it in the air

Getting closer
To the glow
Oh look
It's raining all around us
Like confetti
Are you ready

Are you ready

Let's just say it's magic magic magic
Let's just say it's magic ooh ooh
Let's just say it's magic magic magic
I can feel it everywhere

Let's just say it's magic magic magic
Let's just say it's magic ooh ooh
Let's just say it's magic magic magic
I can feel it in the air

Let's just say it's magic
Let's just say it's magic
(Feel the magic everywhere)
(Feel the magic everywhere)
(Feel the magic everywhere)
Let's just say it's magic
