World

Mark Owen

I was wrong (Yeah)
You were right (Yeah)
Every time the sunsets over
Over your garden comes the night
Feelings come (Yeah)
Then they go (Yeah)
Will I ever know which they may be headin'?
I don't know

Nothin' ever stays the same
Nothin' ever stays the same
Nothin' ever stays the same

Do you wanna be my world?
Or my girlfriend?
For the rest of my life, I am yours, I am yours, oh, yeah

Carousel (Yeah)
Spinnin' out (Yeah)
Next that you come around
I'm gonna be here
Comin' down

Nothin' ever stays the same
Nothin' ever stays the same
Waitin' for the light to change

Do you wanna be my world?
Or my girlfriend?
For the rest of my life, I am yours, I am yours, oh, yeah
Do you wanna be my world?
All my seasons
For the rest of my life, I am yours, I am yours, oh, yeah

Nothing ever stays the same
Nothing ever stays the same
Waitin' for the light to change
Waitin' for the light to change
Nothin' ever stays the same
Nothin' ever stays the same
Waitin' for the light to change
Do you wanna be my world?

Do you wanna be my world?
Or my seasons?
For the rest of my life, I am yours, I am yours, oh, yeah
