

2 AM

Mark Ronson

Fall first, you don't wanna call first
You don't wanna get hurt
So we're sleeping, oh, another dreamin'
Tryna catch no feelings, oh no

I'm not your lover, but we're making love
And don't blame it on being drunk
Don't say I'm just a 2 AM, 2 AM, 2 AM
Say it's over, but you're in my bed
Walk away, come runnin' back again
Don't say I'm just a 2 AM, 2 AM

And you say you're not in love
Sayin' now it's 5 AM
Baby, now we see the sun
Why are you still hitting me up
If you can't call it love?
Yeah, you say you're not in love
Sayin' now it's 5 AM
Baby, now we see the sun
Why are you still hitting me up
If you can't call it love?

I'm not your lover, but we're making love
And don't blame it on being drunk
Don't say I'm just a 2 AM, 2 AM, 2 AM
Say it's over, but you're in my bed
Walk away, come runnin' back again
Don't say I'm just a 2 AM, 2 AM

You still awake?
Still down to break?
Open your heart, open the door
Give me some more
Baby, what do you want?
You still awake?
Still down to break?
Open your heart, open the door
Give me some more
What the fuck do you want?

I'm not your lover, but we're making love
And don't blame it on being drunk
Don't say I'm just your 2 AM, 2 AM, 2 AM
Say it's over, but you're in my bed
Walk away, come runnin' back again
Don't say I'm just a 2 AM, 2 AM, 2 AM
