

## Apply Some Pressure

Mark Ronson

You know that I would love to see you next year  
I hope that I am still alive next year  
You magnify the way I think about myself  
before you came I rarely thought about myself

Behind your veil I found a body underneath  
inside your head were things I never thought about  
you know that I would love to see you next year  
I hope that I am still alive next year

What's my view?  
well how am I supposed to know  
write a review  
well how objective can I be  
[X2]

you know that I would love to see you in that dress  
I hope that I will live to see you undressed  
the every day is part of what consumes me  
the hate I feel is part of what fuels me

I testify to having guilty feelings  
I must confess I'd like to be caught stealing  
you know that I would love to see you in that dress  
I hope that I will live to see you undressed

What's my view?  
Well how am I supposed to know?  
Write a review  
Well how objective can I be?  
[X2]

I like to wait to see how things turn out  
If you apply some pressure  
[X2]

What happens when you lose everything  
you just start again  
you start all over again  
[X2]

I like to wait to see how things turn out  
If you apply some pressure  
[X2]

What happens when you lose everything  
you just start again  
you start all over again  
[X3]

What happens when you lose some pressure  
apply some pressure you lose some pressure  
apply some pressure you lose some pressure  
apply some pressure you lose some pressure  
[X2]

You know that I would love to see you next year

I hope that I am still alive next year  
You know that I would love to see you in that dress  
I hope that I will live to see you undressed
