

# Find U Again

Mark Ronson

I'll try to pass the night away with somebody new  
But they don't have a shot when I compare them to you

It's too late, too late  
Baby, I know I'll never find you again  
Find you again

Baby, baby, I  
Walk in the late night  
Looking for your eyes  
Put up a fight to find you  
Lose it every time  
You were the last of your kind  
All of the blame's mine

And I remember you told me  
That we could work it all out, don't you worry  
And now the tears in your eyes make it blurry  
But if you say try again, I'd be ready  
I'm ready, yeah  
I'll try to pass the night away with somebody new  
But they don't have a shot when I compare them to you

It's too late, too late  
Baby, I know I'll never find you again  
Find you again

Have mercy on me, please  
I messed up to the third degree  
This crush is kind of crushing me  
I do therapy at least twice a week  
There's a you-shaped space in my bed  
Always you-shaped thoughts inside my head, like  
I keep pushing them right into you  
La Cienega, where I remember you

And I remember you told me (Told me)  
That we could work it all out, don't you worry (Yeah, yeah, yeah)  
And now the tears in your eyes make it blurry  
But if you say try again, I'd be ready  
I'm ready  
I'll try to pass the night away with somebody new  
But they don't have a shot when I compare them to you

It's too late, too late  
Baby, I know I'll never find you again

Find you again  
Find you again  
Find you again  
Find you again  
Find you again (It's too late)  
Find you again (It's too late)  
Find you again (It's too late)  
Find you again (It's too late)  
I'll try to pass the night away with somebody new (Find you again)  
But they don't have a shot when I compare them to you (Find you again)

It's too late, too late  
Baby, I know I'll never find you again  
Find you again
