

Too Much

Mark Ronson

You don't need a reason
This can't be described
You won't need a ticket
To take this ride

Said, "No expectation"
Just might blow your mind
Oh, no use in fighting to fit in
It takes control, takes control

I can be your antidote
What you need
I know you wanna let it go
It's about time
Can we get a dance alone?
Come touch me
'Round and 'round and 'round we go, oh

You're too much
We're just catching up to time
Let's do too much
Something that we never tried
We never tried

(Hands on my arms) It's all I want
(Hands on my arms) It's all I want

We ain't getting no younger
We're finally here and we've come to play
And I (And I) can fight (Can fight) all night, yeah
Woo

I can be your antidote
What you need
I know you wanna let it go
It's about time (Oh, oh)
Can we get a dance alone?
Come touch me (Come touch me, baby)
'Round and 'round and 'round we go, oh (Woo, ooh)

You're too much
We're just catching up to time
Let's do too much (Do-do, do too much)
Something that we never tried
We never tried

(Hands on my arms) It's all I want
(Hands on my arms) It's all I want
(Hands on my arms) It's all I want (It's all I want)
(Hands on my arms) It's all I want

I can be your antidote
What you need
I know you wanna let it go
It's about time
Can we get a dance alone?
Come touch me

'Round and 'round and 'round we go
('Round and 'round and 'round we go)

You're too much (You're too-too much, you know?)
We're just catching up to time (We're just catching up to time)
Let's do too much (Ooh, woo-oooh)
Something that we never tried
We never tried

(Say hands on my arms, too much) It's all I want (Oh)
(Hands on my arms) It's all I want (Let's do too much)
(Hands on my arms) It's all I want (It's all that I want)
(Hands on my arms) It's all I want (Oh-oh, oh)
