

Run Joey Run

Mark Salling

[Rachel Berry]

Daddy please don't it wasn't his fault
He means so much to me
Daddy please don't, we're gonna get married
Just you wait and see

[Noah Puckerman]

Every night the same old dream I hate to close my eyes
I can't erase the memory the sound of Julie's cry
She called me up late that night she said :
Joe, don't come over
My Dad and I just had a fight
And he stormed out the door

I've never seen him act this way,
My God, he's goin' crazy
He said he's gonna make you pay
For what we done, he's got a gun!

So run, Joey run, Joey run

[Rachel Berry]

Daddy please don't, it wasn't his fault
He means so much to me
Daddy please don't, we're gonna get married
Just you wait and see

[Jesse St. James]

Got in my car and I drove like mad
Til I reached Julie's place
She ran to me, with tear-filled eyes and bruises on her face
All at once I saw him there sneaking up behind me (watch-out!)
Then Julie yelled, "He's got a gun!"
And she stepped in front of me

[Finn Hudson]

Suddenly, a shot rang out and I saw Julie falling
I ran to her, I held her close
When I looked down, my hands were red
And here's the last words Julie said

[Rachel Berry]

Daddy please don't, it wasn't his fault
He means so much to me
Daddy please don't, we're gonna get married

aaaaaaah aaaaaaaaaah

Run, Joey run, Joey run, Joey run, Joey run
Joey run, Joey run....!
