

# Amazing Grace

Mark Schultz

Amazing grace  
How sweet the sound  
That saved a wretch like me  
I once was lost  
But now I'm found  
Was blind but now I see yeah

Twas grace that taught my heart to fear  
And grace my fears released  
How precious did that grace appear  
The hour I first believed

Unending love, unending love  
It's the promise that the father made to us  
Oh there can be no greater gain  
For the sacrifice he made  
He made for us  
Unending love yeah

When we've been there  
Ten thousand years  
Bright shining as the sun  
We've known less days  
To sing God's praise  
The way we first begun

Unending love, unending love  
It's the promise that the father made to us  
Oh there can be no greater gain  
For the sacrifice he made  
He made for us  
Unending love

Oh no more shame or sorrow  
No more battle pain  
God has taken it away  
No more shame or sorrow  
No more battle pain  
God has taken it away

Unending love  
Unending love
