## **Love Has Come**

## **Mark Schultz**

Well, I know this life is filled with sorrow
And there are days when the pain just lasts and lasts
But I know there will come a day
When all our tears are washed away with a break in the clouds
His glory coming down and in that moment

Every knee shall bow, every tongue confess That God is love and love has come for us all Every heart set free, every one will see That God is love and love has come for us all

For anybody who has ever lost a loved one
And you feel like you had to let go too soon
I know it hurts to say goodbye
But don't you know it's just a matter of time till the tears are gonna end
You'll see them once again and in that moment

Every knee shall bow, every tongue confess That God is love and love has come for us all Every heart set free, every one will see That God is love and love has come for us all

Oh, and on that day we will stand amazed At our Savior, God and King Just to see the face of amazing grace As our hearts rise up and sing

Glory, glory, hallelujah Thank You for the cross Singing glory, glory, hallelujah Christ has paid the cost

Glory, glory, hallelujah Thank You for the cross Singing glory, glory Christ has paid the cost

And every knee shall bow, every tongue confess That God is love and love has come for us all Every heart set free, every one will see That God is love and love has come for us all

Love has come for us all Love has come for us all

And every knee shall bow, every tongue confess God is love and love has come for us all Every heart set free, every one will see God is love and love has come for us all

Every knee shall bow, every tongue confess God is love and love has come for us all Every heart set free, every one will see God is love and love has come for us all
