

Psalm 91

Mark Schultz

He who dwells in Your shade
Will find rest in Your great name
You're my shelter where I hide
Fortress from the darkest night

God, my God, You will rescue me
I'll never walk alone
God, my God will deliver me
You are my only hope
I will not fear for You are with me
Faithful for all time
God, my God, You will rescue me
Forever You are mine

The enemy, he will not stand
In the presence of the Great I Am
You're my strength and perfect peace
You send Your angels to watch over me

God, my God, You will rescue me
I'll never walk alone
God, my God will deliver me
You are my only hope
I will not fear for You are with me
Faithful for all time
God, my God, You will rescue me
Forever You are mine

A thousand disasters may fall at my side
But they will not come near me
Or harm my life

God, my God, You will rescue me
I'll never walk alone
God, my God will deliver me
You are my only hope
I will not fear for You are with me
Faithful for all time
God, my God, You will rescue me
Forever You are mine
Forever You are mine
