

# Sing to the Lord

Mark Schultz

I don't remember when I fell into the same routine  
I stepped in line and started marching to monotony  
Like everybody else, I'm tryna sing along  
The way of the world was the path I was on

But then my Savior came and woke me up and set me free  
I heard the beat of a drum in a whole new melody  
Now I'm alive again  
I'm gonna shine again  
Every breath I'm breathin' in

Sing to the Lord a new song  
By Your grace I am whole again  
Sing to the Lord a new song  
You reign over me, over me  
Through the pain  
Through the flood  
You give me strength to overcome  
Sing to the Lord a new song  
I am whole again

But there's a melody the Lord is playing on your heart  
So be inspired by the One who made you who you are  
Be love, be hope, be truth  
Go light up the world just like he did for you

Cause it doesn't matter where you live or what you choose to do  
It only matters that they see the love of God in you  
So come alive again  
You're gonna shine again  
Every breath you're breathin' in

Sing to the Lord a new song  
By Your grace I am whole again  
Sing to the Lord a new song  
You reign over me, over me  
Through the pain  
Through the flood  
You give me strength to overcome  
Sing to the Lord a new song  
I am whole again

Your grace is  
Unending  
Your mercies  
They are new again  
Your love unfailing

(Sing to the Lord a new song)  
(I am whole again)

Sing to the Lord a new song  
By Your grace I am whole again  
Sing to the Lord a new song  
You reign over me, over me  
Through the pain  
Through the flood

You give me strength to overcome  
Sing to the Lord a new song

(Sing to the Lord a new song)

Sing to the Lord a new song  
By Your grace I am whole again  
Sing to the Lord a new song  
You reign over me, over me  
Sing to the Lord a new song

(The one you were made to sing)  
(Who you were made to be)  
(Sing to the Lord a new song)  
(Sing to the Lord a new song)
