

# Broken

Mark Tuan

What's the point of waking up if I'm alone  
Getting hard to breathe and no one sees it  
And what's the reason you deceived I'll never know  
Love was blinding me and I believed you

Know I was fooled by you I was  
You had me drinking out your cup, ooh  
And it's hard for me to say this  
But I'm still broken  
I guess it wasn't

Love, it never was  
You're too fucked up  
I'm still broken  
I guess it wasn't  
Love, it never was  
You're too fucked up  
I'm still broken  
I guess it wasn't

Even if you're missing me I'll never know  
Cause I'd be lying if I said I cared about it  
And I know I got a million problems of my own  
But I still try no other way around it

Know I was fooled by you I was  
You had me drinking out your cup, ooh  
And it's hard for me to say this  
But I'm still broken  
I guess it wasn't

Love, it never was  
You're too fucked up  
I'm still broken  
I guess it wasn't  
Love, it never was  
You're too fucked up  
I'm still broken  
I guess it wasn't
