

Fallin'

Mark Tuan

There's no hiding how I feel
I am not trying to reinvent the wheel
But you pulled me out the dark
So I'll give you my heart
Just to sweeten up the deal

Find your name in my conversations
That should tell you 'bout where my brain is
I just want you around
Prepare to double down
Cause I'm so sick of playin the field

You really figured me out
Don't wanna mess this up
So all I can do is hold onto you
'Cause I'm

Fallin'
Like stop everything you're calling
I can't get you off my mind
And why would I even try?
'Cause I've been waiting
For someone like you to save me
And baby, you're right on time
I'm so glad you're in my life
'Cause I'm falling

Like put me in the corner and I'll stay
You make it hard for me to concentrate
Yeah you could break a fool's heart
Baby, I'm a fool for
Everything about you
I thought I was dreaming when you caught me by surprise
There must be a reason why I couldn't pass you by

You really figured me out
Don't wanna mess this up
So all I can do is
Hold onto you cause I'm falling

Like stop everything you're calling
I can't get you off my mind
And why would I even try?
Because I've been waiting
For someone like you to save me
And baby you're right on time
I'm so glad you're in my life
'Cause I'm fallin'

Like stop everything you're calling
I can't get you off my mind
And why would I even try?
Because I've been waiting
For someone like you to save me
And baby you're right on time
I'm so glad you're in my life
'Cause I'm fallin'

I'm fallin'
Yeah, yeah
Yeah, yeah
