

Let U Go

Mark Tuan

If you're refusing to make amends
Then I might never come back again
Cause you're the only thing here that's left
I barely know why we're trying it
I think we're both getting tired of it
So baby tell me is this the end

I brought you flowers today
I know you threw them out
I got that one picture frame
I know you took it down
And when it's just a mistake
But you get mad anyway
I wonder if I should stay
But I know we'd fall apart

Yeah we try and we try it gets worse
When I drink and I mix all of my words
You take it personal
Maybe we'll do better if I let you go
And you lie and you lie it's repeated
You're in love well it's hard to believe it
I wonder if it's worth it all
Maybe we'll do better if I let you go

Quit telling me that you want me back
Oh girl you showed me your words don't last
Got me feeling like a maniac
You got me doing the run around
You only call when the sun comes down
If I was stronger I'd shut you out

I brought you flowers today
I know you threw them out
I got that one picture frame
I know you took it down
And when it's just a mistake
But you get mad anyway
I wonder if I should stay
But I know we'd fall apart

Yeah we try and we try it gets worse
When I drink and I mix all of my words
You take it personal
Maybe we'll do better if I let you go
And you lie and you lie it's repeated
You're in love well it's hard to believe it
I wonder if it's worth it all
Maybe we'll do better if I let you go

You watch me destroy myself
All I need is a little help

Yeah we try and we try it gets worse
When I drink and I mix all of my words
You take it personal
Maybe we'll do better if I let you go

Yeah we try and we try it gets worse
When I drink and I mix all of my words
You take it personal
Maybe we'll do better if I let you go
And you lie and you lie it's repeated
You're in love well it's hard to believe it
I wonder if it's worth it all
Maybe we'll do better if I let you go
