

# Only Human

Mark Tuan

I'm only human  
So it's useless when I try  
To be that perfect guy  
Cause I'm only human  
If you wanna count all my mistakes  
It'll take all night and day  
Cause I'm only human  
I'm only human

Everybody always staring at me with the one look on their face  
And I already know it means it's gonna be one of those days  
Life is loveless  
From all the judgment  
And maybe I'm stuck in my ways  
But this anxiety is flying me away

Do I look like I'm broken to you  
Cause if I do  
It's all on you to blame  
I wish that I could be better for you  
Starting to lose it  
Cause I know the truth is

I'm only human  
So it's useless when I try  
To be that perfect guy  
Cause I'm only human  
If you wanna count all my mistakes  
It'll take all night and day  
Cause I'm only human  
I'm only human

I know that I'm not always right  
Cause I'm only human  
This pedestal feels way too high  
I'm only human  
See through this glass covered in stains  
Cause I'm only human  
Nobody else could know my pain

Do I look like I'm broken to you  
Cause if I do  
It's all on you to blame  
I wish that I could be better for you  
Starting to lose it  
Cause I know the truth is

I'm only human  
So it's useless when I try  
To be that perfect guy  
Cause I'm only human  
If you wanna count all my mistakes  
It'll take all night and day  
Cause I'm only human  
I'm only human
