

Umbrella

Markéta Konvičková

You have my heart
And we'll never be worlds apart
Maybe in magazines
But you'll still be my star
Baby, 'cause in the dark
You can't see shiny cars
And that's when you need me there
With you I'll always share
Because

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be a friend
Took an oath, I'm stick it out till the end

Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella
Under my umbrella
Under my umbrella
Under my umbrella

These fancy things will never come in between
You're part of my entity, here for infinity
When the war has took it's part
When the world has dealt it's cards
If the hand is hard, together we'll mend your heart
Because

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be a friend
Took an oath, I'm stick it out till the end

Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella
Under my umbrella
Under my umbrella
Under my umbrella

You can run into my arms
It's okay, don't be alarmed
Come here to me
There's no distance in between our love
So go on and let the rain pour
I'll be all you need and more
Because

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be a friend
Took an oath, I'm stick it out till the end

Now that it's raining more than ever

Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella
Under my umbrella
Under my umbrella
Under my umbrella
