Cause You Know

Markus Schulz

```
Making promises I can't keep
Do I show up empty?
Should I beg for your mercy?
Do you know I'm glad to be?

Do you hear me when I weep?
Cause I search, I search for peace
If I should die within my sleep
So you know, hold me

Nothing but you can taste so sweet
Do I go? Are you with me?
Cause you know I'm in too deep
Cause you know, know me
```
