

# You Must Believe In Spring

Marlena Shaw

When lonely feelings  
Chill the meadows of your mind  
Just think if winter comes  
Can spring be far behind?  
Beneath the deepest snows  
The secret of a rose  
Is merely that it knows  
You must believe in spring

Just as a tree is sure  
Its leaves will reappear  
It knows its emptiness  
Is just the time of year  
The frozen mountain streams  
Of April's melting dreams  
How crystal clear it seems  
You must believe in spring

You must believe in love  
And trust it's on its way  
Just as the sleeping rose  
Awaits the kiss of May  
So in a world of snow  
Of things that come and go  
Where what you think you know  
You can't be certain of  
You must believe in spring and love

When lonely feelings chill  
The meadows of your mind  
Just think if winter comes  
Can spring be far behind?  
And now beneath the deepest snows  
The secret of a rose  
Is merely that it knows  
You must believe in spring, spring

Just as a tree is sure  
Its leaves will reappear  
And now it really knows its emptiness  
Is just the time of year  
The frozen mountain dreams  
Of April's melting streams  
How crystal clear it seems  
You must believe in spring

You must believe in love  
And trust it's on its way  
Just as the sleeping rose  
Awaits the kiss of May (Ha)  
Oh, so in a world of snow  
Of things that kinda come and go  
Where what you think you know  
You can't be certain of  
You must believe in spring and love

You gotta believe in spring and love

You must believe  
At least in love  
You can never get too high above  
Every woman needs love  
Woman's lib is awfully cool  
But don't you be nobody's fool  
You gotta feel it, you gotta feel it
