

Johnny (English version)

Marlene Dietrich

Johnny, when will your birthday be -
reserve that night for me.
Just me and you.

Johnny, we will disconnect the phone
and when we are alone,
we will have a lot to do.
Oh, Johnny, I've got to celebrate
and I can hardly wait
until we do.
Johnny, I hope you realize
that there's big surprise
in store for you.

Johnny, I need you sympathy,
there's something wrong with me.
I can't say no.
Johnny, all night I long for you
and I no strong for you,
you make me feel so weak.

Oh, Johnny, you know I can't refuse.
What I have got to lose?
Come on, let's go!

Johnny, what are you waiting for?
I need a kiss or two
or maybe more.
