Lili Marlene

Marlene Dietrich

Outside the barracks, by the corner light
I'll always stand and wait for you at night
We will create a world for two
I'll wait for you the whole night through
For you, Lili Marlene
For you, Lili Marlene

Bugler, tonight, don't play the call to arms
I want another evening with her charms
Then we will say good-bye and part
I'll always keep you in my heart
With me, Lili Marlene
With me, Lili Marlene

Give me a rose to show how much you care
Tied to the stem, a lock of golden hair

Surely, tomorrow, you'll feel blue
But then will come a love that's new
For you, Lili Marlene
For you, Lili Marlene

When we are marching in the mud and cold
And when my pack seems more than I can hold
My love for you renews my might
I'm warm again, my pack is light
It's you, Lili Marlene
It's you, Lili Marlene

My love for you renews my might
I'm warm again, my pack is light
It's you, Lili Marlene
It's you, Lili Marlene
