Forget you and your mom and your sister and your job  
And your broke-down car and that thing you call art  
Forget you and your friends that I'll never see again  
Everybody but your dog, you can all get lost

I swear I meant to mean the best when it ended  
Even tried to bite my tongue when you start, mmm  
Now you're textin' all my friends asking questions  
They never even liked you in the first place  
Dated a girl that I hate for the attention  
She only made it two days, what a connection  
It's like you'd do anythin' for my affection  
You're goin' all about it in the worst ways

I was into you, but I'm over it now  
And I was tryna be nice  
But nothing's getting through, so let me spell it out

A-B-C-D-E, forget you and your mom and your sister and your job  
And your broke-down car and that thing you call art  
Forget you and your friends that I'll never see again  
Everybody but your dog, you can all get lost

Nah-nah-nah...  
A-B-C-D-E, forget you

You said you just needed space and so I gave it  
When I had nothin' to say you couldn't take it  
Told everyone I'm a... so I became it  
Always had to put yourself above me

I was into you, but I'm over it now  
And I was tryna be nice  
But nothing's getting through, so let me spell it out

A-B-C-D-E, forget you and your mom and your sister and your job  
And your craigslist couch and the way your voice sounds  
Forget you and your friends that I'll never see again  
Everybody but your dog, you can all get lost

Nah-nah-nah...  
A-B-C-D-E, forget you  
Nah-nah-nah...  
A-B-C-D-E, forget you and your mom and your sister and your job  
And your broke-down car and that thing you call art  
Forget you and your friends that I'll never see again  
Everybody but your dog, you can all get lost
