

deja vu

Marlisa

Car rides to Malibu
Strawberry ice cream
One spoon for two
And tradin' jackets
Laughin' 'bout how small it looks on you

Watching reruns of Glee
Bein' annoying
Singin' in harmony
I bet she's braggin'
To all her friends sayin' you're so unique

So when you gonna tell her
That we did that too
She thinks it's special
But it's all reused
That was our place, I found it first
I made the jokes you tell to her
When she's with you
Do you get déjà vu
When she's with you
Do you get déjà vu, hmm
Do you get déjà vu

Do you call her
Almost say my name
'Cause let's be honest
We kinda do sound the same
Another actress
I hate to think that I was just your type

I bet that she knows Billy Joel
'Cause you played her "Uptown Girl"
You're singin' it together
Now I bet you even tell her
How you love her
In between the chorus and the verse

So when you gonna tell her
That we did that too
She thinks it's special
But it's all reused
That was the show we talked about
Played you the songs she's singing now
When she's with you

Strawberry ice cream in Malibu
Don't act like we didn't do that shit too
You're tradin' jackets like we used to do
Everything is all reused
Play her piano but she doesn't know
That I was the one who taught you Billy Joel
A different girl now but there's nothing new
I know you get déjà vu
I know you get déjà vu

So when you gonna tell her

That we did that too
She thinks it's special
But it's all reused
That was the show we talked about
Played you the songs she's singing now
When she's with you
Do you get déjà vu
When she's with you
Do you get déjà vu, hmm
Do you get déjà vu
I know you get déjà vu
