

# Never Be Alone

Marlisa

I know there's a way out of here  
I know there's a way back home  
It's easy to just throw in the towel  
But I'mma be holding on

Coz I know that there's something special out there  
That's waiting to be claimed  
I won't stop until I reach the very end  
With you by my side

I won't let go  
Oh that I know  
Rest assured you're not alone

If you're feeling uncertain  
And you don't think it's working  
Time will heal you, don't you worry  
I'll be by your side  
For a very long time  
It's gonna be alright

You are never gonna be alone  
You are always gonna be strong  
You are fighting till we reach the top  
And I will never leave you

I know we can make it through  
Together we've come this far  
I know there's nothing to fear  
Coz I'm gonna be right here

Coz I know that there's something special out there  
That's waiting to be claimed  
I won't stop until I reach the very end  
With you by my side

I won't let go  
Oh that I know  
Rest assured you're not alone

If you're feeling uncertain  
And you don't think it's working  
Time will heal you, don't you worry  
I'll be by your side  
For a very long time  
It's gonna be alright

You are never gonna be alone  
You are always gonna be strong  
You are fighting till we reach the top  
And I will never leave you

You can always count on me  
A shoulder to cry on, I'll be free  
Hand in hand we will be  
Each other's company

If you're feeling uncertain  
And you don't think it's working  
Time will heal you, don't you worry  
I'll be by your side  
For a very long time  
It's gonna be alright

You are never gonna be alone  
You are always gonna be strong  
You are fighting till we reach the top  
And I will never leave you
