

Nothing Else Matters

Marlisa

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
Cause nothing else matters

Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
Cause nothing else matters

Never cared for what they do
Never cared for what they know
Never cared for what they do
But I know

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
Cause nothing else matters

Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
Cause nothing else matters

Never cared for what they do
Never cared for what they know
Never cared for what they do
But I know

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
Cause nothing else matters

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
Cause nothing else matters
Cause nothing else matters
