# Selfish

**Marlisa**

Every time I try
Can't get you out my mind
I feel so insecure
I want you more and more

I can't seem to find my way out
In this maze I scream and cry loud
No matter how I try now
It's just the way I feel

I don't mind feeling selfish
If it's for you I'd do it all
I don't know why it's her you choose
I just can't get over you

You still hit me on my phone
Tryna talk when I'm alone
Things you saying don't make sense
Don't know why we should be friends

It's a little too late now
Thought that I wouldn't find out
You can go ahead and cry loud
It won't change how I feel

I don't think you realize how
Much I cared for you before
But now it's time to move on
I don't want to be with you no more

Look at us now
We're going back and forth
Should've made it clear before

Please be mine
I want you more and more
Can't get you out my mind
Can't get you out my mind oh oh oh
