

## Activate

Marlon Craft

Working day and night, making moves  
With no hesitation, right  
Told my homies to sit tight, 'cause pretty soon  
It'll be activation time, yeah  
We counting five, four, three, two, one, activate  
Start it up, hit the ground running, we can't hesitate  
'Bout to fly in the sky high, watch me levitate  
Activation time

Activate the grind, gotta get it how I live  
I'ma take my time, 'cause slow and steady wins the race  
I'ma take the prize that's mine, yeah  
The bass and treble on another level, fully activate  
My nigga, don't blink, keep watching (what)  
'Cause you about to see what it's like when we activate  
Your jaw gon' be dropping (oh)  
Down to the ground, it'll leave your ass amazed  
And no, we ain't stopping  
We gotta keep moving through, do you dig that?  
Turnt up, now my heart is racing  
Greatness what we activating

Working day and night, making moves  
With no hesitation, right  
Told my homies to sit tight, 'cause pretty soon  
It'll be activation time, yeah  
We counting five, four, three, two, one, activate  
Start it up, hit the ground running, we can't hesitate  
'Bout to fly in the sky high, watch me levitate  
Activation time

By activate, be half activist, half acting up (like if dudes wanna trip?) pa  
ck 'em up  
Reading aside I been eating streaming dollars, wanna act more (I'm confused)  
Never been one for distractions much  
Well, that's a lie, 'cause if she passing by with a ass that fly, I'm like..  
. what was I saying?  
Like, oh yeah, right, gotta activate, I won't victim to passive fate  
Fuck your little script that you have for me, I'm too groovy for you to mute  
me (too groovy)  
From Motown to Maryland, NY to the rarest land  
We organizing a caravan of ones who care again, that's work

Working day and night, making moves  
With no hesitation, right  
Told my homies to sit tight, 'cause pretty soon  
It'll be activation time, yeah  
We counting five, four, three, two, one, activate  
Start it up, hit the ground running, we can't hesitate  
'Bout to fly in the sky high, watch me levitate  
Activation time (yuh, yuh, look)

And we still make it look easy for you, topping me not feasible, please  
Don't get your little season, point or hush, nigga I push demons with my tou  
ch  
Nigga I can't ease into easily, I put diesel in that truck  
Gon' catch me speeding, giving no fucks, on the pedal for a reason, ain't no

luck

Getting mad too easily, I'm up, came a long way from just going [?]  
Now I got these sacks and this shit, no relaxing that bitch, steady action keep going up  
Ain't a part of no man's faction, this solo act is a problem  
That [?] keep passing, that's the issue, we can solve 'em no doubt

Working day and night (yeah), making moves  
With no hesitation, right  
Told my homies to sit tight, 'cause pretty soon  
It'll be activation time, yeah  
We counting five, four, three, two, one, activate  
Start it up, hit the ground running, we can't hesitate  
'Bout to fly in the sky high, watch me levitate  
Activation time
