

# Carne Guisada

Marlon Craft

I'm off bourbon and a whole lotta carne guisada  
That is my baby, we pardon the drama  
I ain't no model citizen but when that Modelo get into him  
Got a whole lotta emotions be floatin don't end up on the wrong end  
Bad thing always end up on the right one  
No I trust her, she don't ever bite none  
Might think they make love but it ain't like us  
So what it do? (what it do)  
Me and my baby so comfortable (comfortable)  
Prayers now we only need one or two (one or two)  
Know fore I cum she gon cum a few (cum a few)  
Ay dios mio  
Make me forget when my heart was frio  
Me and her and Haagen-Dazs is the OD trio  
I'mma keep it real but I ain't goin out tonight

So take my hand and show me the way  
Cause I been in the mud for a while  
I know life go either way  
But either way I'm leavin with a smile  
I had a good meal today (I did)  
That shit made me feel a way (I live)  
Sippin shit helped the pain (I give)  
I only got me to blame  
If I can't appreciate that I had a good meal  
I had a good meal today

That's my woman we need to play  
Think I'm gon go inebriate  
And just hope shit alleviate  
Some of the demons I deem astray  
Feel the relief as I mediate  
Immediately only shit that I need is the shit that I got  
All the wantin I do is for shit that I'm not  
What if I was just cool with who I am?  
We fly  
Fuck all the cravin, babe  
(Desire)  
But I need you on my lap  
(She fire)  
And I need that bra strap  
(Required)  
We cum in unison like we in choir  
Ain't no inquiring for shit ain't no time for thinkin in the rain on the win  
dow  
It's sunny inside and I feel like today only one of my life

So take my hand and show me the way  
Cause I been in the mud for a while  
I know life go either way  
But either way I'm leavin with a smile  
I had a good meal today (I did)  
That shit made me feel a way (I live)  
Sippin shit helped the pain (I give)  
I only got me to blame  
If I can't appreciate that I had a good meal  
I had a good meal today
