

## Cheap Date

Marlon Craft

Baby, I'm a cheap date  
I like liquor and feelings, discussing and fucking, et cetera  
Baby, I'm a cheap date  
I like licking and feeling and wanting and rushing to get with  
ya  
What is our release date?  
'Cause this album we making together gon' leave us eventually  
I'm a cheap date  
But I know I'm not easy, not easy, once we start extending, we

I been talking to the part of my soul that's still nine years o  
ld  
I ain't really felt like a kid since then  
Always knew I had a heart full of gold, I was told that's a ris  
k  
I'm gon' let myself [?]  
Always [?] with the older cats  
[?] smarter but my heart didn't notice that  
Family slope slippery [?] attached  
Made me wanna live my whole life with no attachments

[?] where I can't be  
[?] don't have a plan B  
Rising feeling in my chest like a stampede  
But my eyes on my skin too and I can't bleed  
I ain't had a full [?] breath in 'bout a year  
Tryna get myself up outta here  
They teach us how to hurt, they don't teach us how to heal  
I wonder if beneath the dough they feel how I feel  
I'm afraid you'll leave

Baby, I'm a cheap date  
I like liquor and feelings, discussing and fucking, et cetera  
Baby, I'm a cheap date  
I like licking and feeling and wanting and rushing to get with  
ya  
What is our release date?  
'Cause this album we making together gon' leave us eventually  
I'm a cheap date  
But I know I'm not easy, not easy, once we start extending, we
