Marlon Craft

I been drinkin' I been thinkin'  
I been livin' off of credit, not even Washingtons or Lincolns  
But I came in here to party, I'm with all the minglin'  
I'll regret it prob'ly, but I ain't even trippin'

I'm like yo, Yo yo yo yo  
Girl sing it to me  
I'm like yo, Yo yo yo yo  
Girl sling it to me  
I'm like yo, yo yo yo yo  
Girl give it to me  
I been in this game a minute don't you treat me like no rookie baby no

Don't play no games  
Shit go down don't say no names  
Known him so long call Jame-o James  
Come kick it where we livin' and there ain't no pain/  
Like yo

I need be numb for the night yeah  
I don't believe in a type yeah  
I'm gonna need me some life tonight  
Been in and out my head  
They was tryna give me meds  
I was like nah ya'll the feds  
Now they scream crafty for prez  
I say no to powder, pills  
All that krillz that for the heads  
But for this bottle I'm a toddler  
Momma momma lemme get  
Do my best to be a man of substance  
Double enten', double enten'  
Tryna fill wholes with this liquor and clothes  
And a bad bitch rubbin' my arm  
Tellin me one more and we gonna get gone  
Good 'cause I don't like waitin' a lot  
Little bit of rhythm in the liver will deliver  
When you simmer from that little hidden pain that you got, ah

Yo, yo yo yo yo  
Girl sing it to me  
I'm like yo, Yo yo yo yo  
Girl sling it to me  
I'm like yo, yo yo yo yo  
Girl give it to me  
I been in this game a minute don't you treat me like no rookie baby no

I been feelin' shallow  
I ain't say I was proud though  
Why do this come so natural  
I must be an asshole  
I been I been I been I been I been feelin' shallow

I was feelin' like my body started sinkin'  
I went vegan for some reason  
But I, didn't give up drinkin'  
Hennessy all in my liver my rhythm  
Gon help me go get em whenever I need her

But they tryna offer me pills and thangs  
Drownin' my mind but that don't sound like freedom  
I'm talkin' bout a waste land (a waste land)  
Tryna find an escape plan (escape plan)  
Ya'll know I'm a made man (a made man)  
Still tryna watch out for the snakes tryna shake hands  
But it is what it is  
I ain't proud but I did what I did  
Shallow niggas gon' live how they live  
I just learned that you get what you give  
Complainin' every day is pointless (aw yeah)  
Don't listen to the wrong voices (yeah yeah)  
Here go a joint you enjoy this (hell yeah)  
Connectin' the dots with craft you bitches still gotta make an appointment (for real tho) /  
But I'm indulgin' even if it's only for the moment  
Tellin' her homie to pour me a shot  
Ready or not I know where I'm goin'  
Slid on her like

Yo, yo yo yo  
Girl sing it to me  
I'm like yo, Yo yo yo yo  
Girl sling it to me  
I'm like yo, yo yo yo yo  
Girl give it to me  
I been in this game a minute don't you treat me like no rookie baby no
