

Super Clean Jean

Marmalade

This will sixteen, six.. sixteen
Watch out, this time ok?
Oh yeah, Why is it always me?
Hey, one, two, one, two, three

Super clean Jean is the name
Of the woman in the window pane
Everyday pass the door
And you know she always do much more
Andeveryday before
Keep loving me more and more
But I'd better try to keep ahead
Though I love her much more than bread
I want her and I'll get her Be my girl - yes, I will

Ah, she gets attraction (yes, she does)
Doing the boogaloo (yes, she does)
When she gets the action (yes, she does)
Oh, all I know she boogaloos for you

Saw her yesterday
She was looking for a place to stay
So I tried to help her all I could
But she didn't see me do no good
Super clean Jean is a queen
She's a queenI've ever seen
But I'd better try to keep ahead 'cause
I love her much more than bread
I want her and I'll get her Be my girl - yes, I will

(I want her and I'll get her) (Be my girl - yes, I will)
