

Good Days

Marmozets

Let's take it back
Take it back to the good days
Let's take it take it to the good days
Let's take it take it
Take it take it
Yeah

All this time
We spent away from each other
It was all so selfish
It was all so selfish of us all
And we wonder why we felt so miserable
It's all in the past
It's all in the past
There's all this shit that was not meant to last

We all had
To learn the hard way
To get what we want to
To get what we want to
We all have to learn
We all have to learn
The hard way
Yeah

(???)

I knew we'd get through this

In the end
Is this the start
Is this the start of a new chapter
Or a hole new book entirely

We all had
To learn the hard way
To get what we want to
To get what we want to
We all have to learn
We all have to learn
The hard way
Yeah

Is this the new me
Are you still you
Is this the new me
Are you still you
Are you who you used to
Be
Yeah giving up (do you see me)
Giving up (as I see you)
I'm not giving up into you (do you see me)
You, you, you, you (as I see you)
You, you
You
You, you, you you
You, you, you you
