3177, I'm alone again  
No one here to be my friend  
I said please son tell 'em, tell 'em, now my love is gone  
No one here to warm my bones

I'm gonna take you to eleventh floor  
I'm gonna show you off and ask for more  
Bugs are trying to get in my room  
We'll be dancing if you sing in tune

Shush, you're waking up the clock  
No time for us, no stopping us, they'll wake us up at dark  
There's no drugs in my jam  
Sit down on the chair now ma'am  
Don't tell me what to do sipping on my

I'm lost in translation  
I need my mates in  
It's horrific  
It's making me sick  
It's making me  
A freak of creation  
God give me patience  
It's horrific  
It's making me sick  
It's making me

Shush, you're waking up the clock, oh oh  
No time for us, no stopping us, they'll wake us up at dark, oh no  
There's no drugs in my jam  
Sit down on the chair now ma'am  
Don't tell me what to do sipping on my

I'm dreaming of you

I'm dreaming of you  
While I'm wide awake  
In the daylight  
In the daylight

I'm dreaming of you  
I'm dreaming of you  
While I'm wide awake  
In the daylight  
In the daylight

I'm dreaming of you  
I'm dreaming of you  
Of you  
Of you  
Of you!
