

## Me & You

Marmozets

I made it there just in time  
To say my last goodbye  
Heaven stole her for glory  
While I'm left on the other side

I know, I know, I know I'll see you  
One day far far away  
In a beautiful world where I hope to dance with you  
We'll be together just me and you, me and you  
Me and you

Can you hear me  
People stop and stare where ever we go  
Cause we live our lives right on the road  
Imagine all the different countries, faces and places  
But I remember yours the most, yeah I do

I know, I know, I know I'll see you  
One day far far away  
In a beautiful world where I hope to dance with you  
We'll be together just me and you, me and you  
Me and you, me and you  
Me and you

To see your face again  
Faith don't leave me  
To hear your voice again  
Faith don't leave me  
To see your face again  
Faith don't leave me  
To hear your voice again  
Faith don't leave me  
Please don't leave me  
Please don't leave me  
Oh don't leave me

I know, I know, I know I'll see you  
One day far far away  
In a beautiful world where I hope to dance with you  
We'll be together just me and you, me and you  
Me and you, me and you  
Me and you
